Welcome to the SDC family! We are excited to get the new season started! Here at SDC it is our goal to develop well rounded responsible athletes in an environment where they feel loved and can grow. Athletes that understand personal growth, work ethic, and teamwork. Our groups are an example to everyone in the gym. This includes treating others and our facility with respect. Staff will not tolerate attitudes. In life things are not just handed to you. You must learn to work hard and work with a team.

Attendance Policies

Attendance is vital to the success of a team. We will take roll at every class/practice. Your athlete is required to attend tumbling class as well as weekly team practices. Athletes are expected to arrive to practice on time and in proper uniform. Mandatory practices will begin at the begin in July for Level 2 & up. If you are going to miss practice you need to notify the coach. Excessive absences will cause removal from the team. All level 2 & up athletes are required to attend team camp. We will learn routine choreography at team camp. **Initials: _____**

If an athlete misses a practice, they may be required to take a private lesson from a team coach. Private lessons will be charged at the normal rate of \$35 .00 /30 minutes & \$60 .00 /hour. **Initials: _____**

If an athlete is wearing the wrong uniform or late, they will be required to condition.

If an athlete/group of athletes is struggling with a skill or a portion of the routine, they may be required to take some private lessons. If this is not done the athlete may be moved to a different spot on their team. **Initials: _____**
